## **Water quality advisory lifted for Fowl River and Dog River at the Alba Club**

The Mobile County Health Department has lifted the water quality advisory issued on Monday, March 8, for Fowl River and Dog River at the Alba Club. Subsequent water samples obtained from this location indicate that the water quality is again within recommended limits.

The Alabama Department of Public Health and the Alabama Department of Environmental Management operate the bacteriological water quality monitoring and notification program under a grant from the Environmental Protection Agency's BEACH Act Program.
